# WE THE PEOPLE

August brought  
warm days, registration  
and a new life style.  
A small community —  
a little world in itself  
came to being.

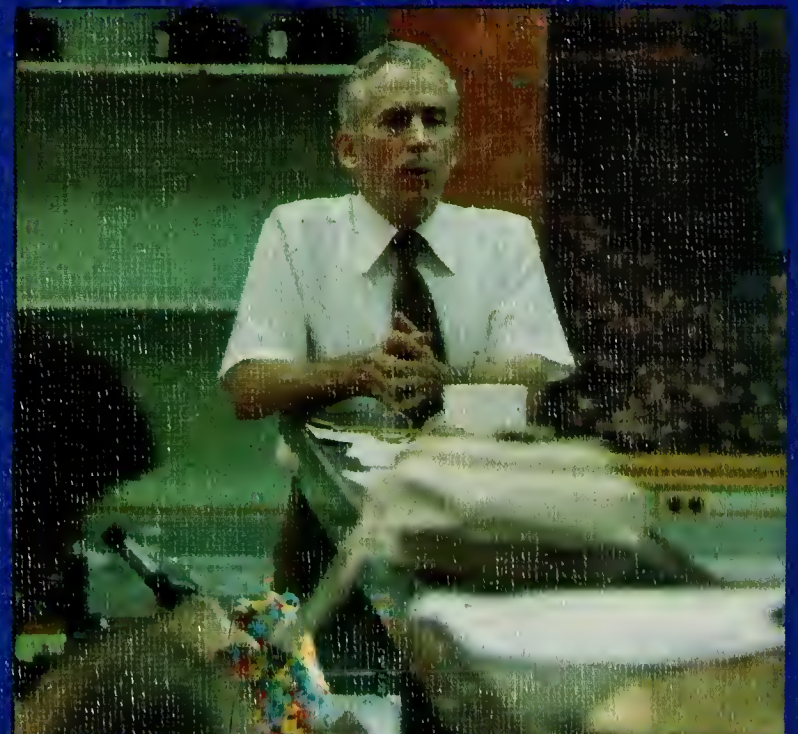

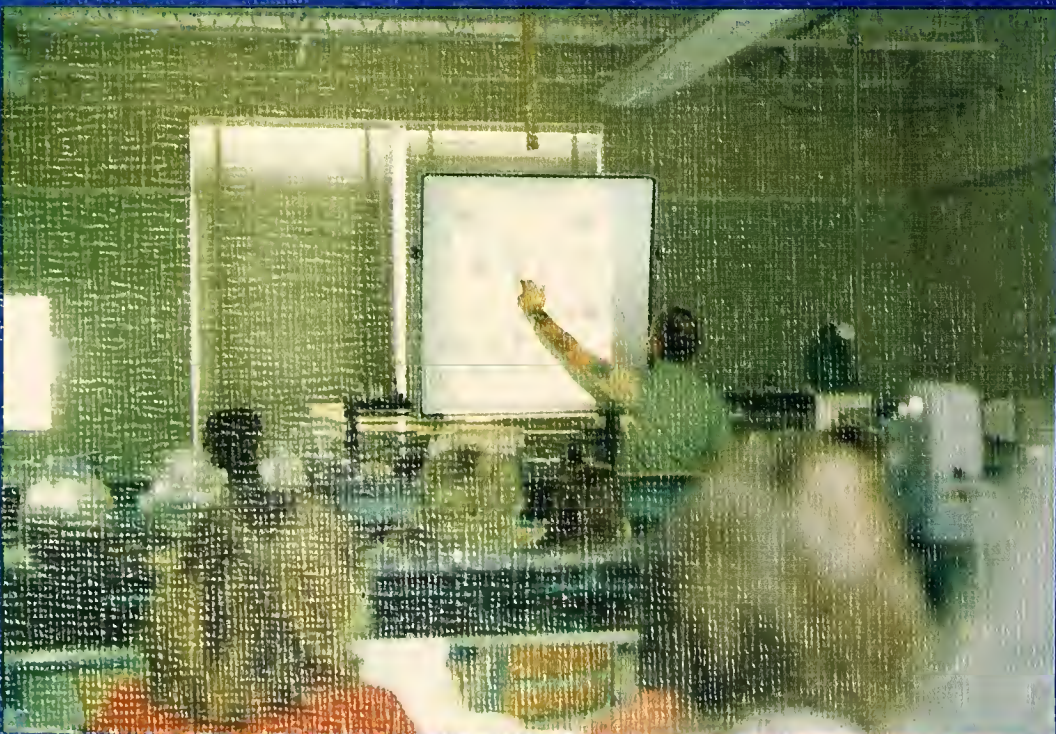

From many places  
they came,  
with big dreams,  
some with specific goals —  
others simply seeking  
direction.  
Whatever their aims,  
they came.

All sought  
to learn.  
And the  
college  
gave freely.

This is not to say the college was any type of Utopia providing answers to every question. Rather, the college offered a free exchange of ideas and the students, in their individual ways, partook freely of the opportunities before them.

Whenever — wherever the competition,  
Athletics brought forth  
cheers of excitement.  
The fans' expressions  
in victory and defeat  
reflected a game worthy  
of sportsmanship.

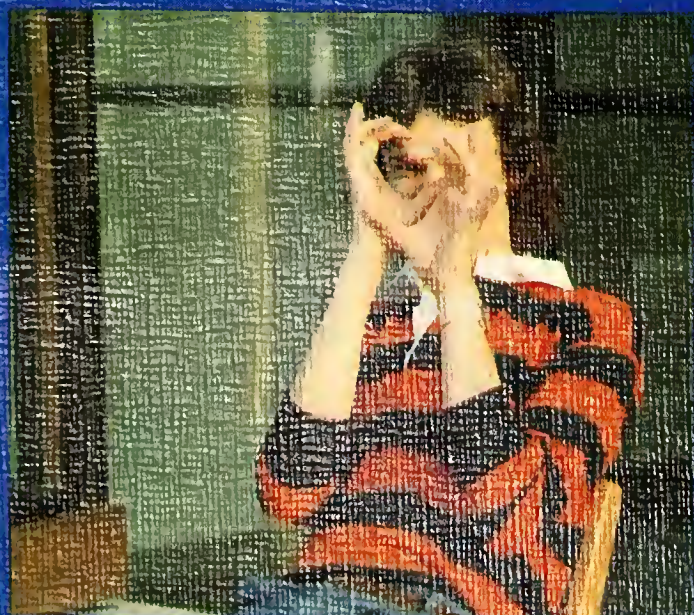

Food,  
Fellowship,  
and fun  
... an explosion  
of activities.

Those in pursuit  
of dreams  
found on this  
campus of learning  
a beautiful,  
thought-provoking  
serenity,

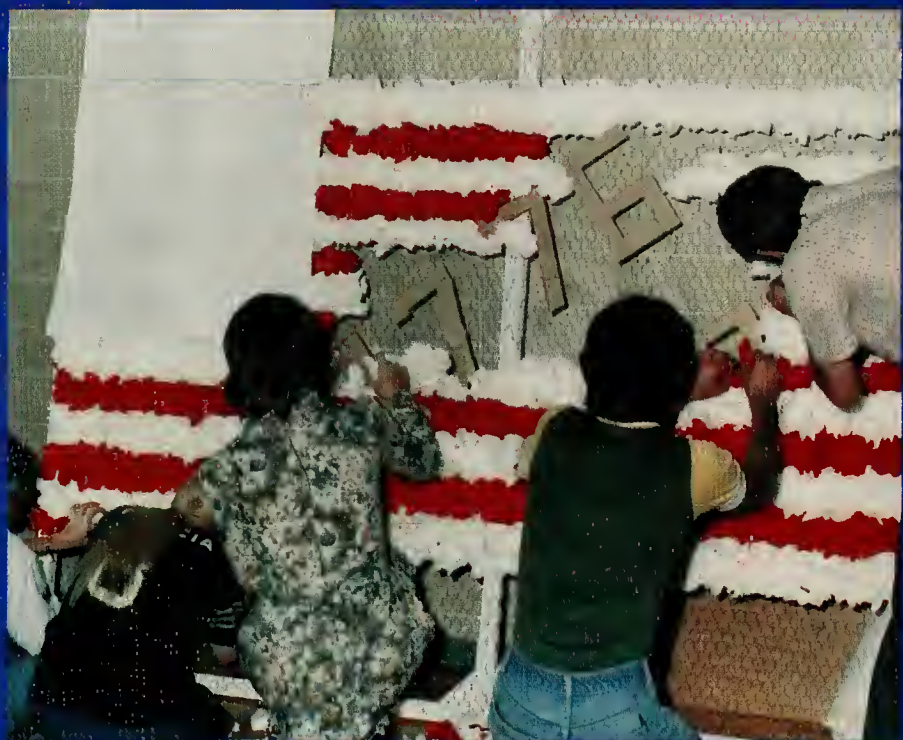

We the people.  
All of us molded  
and remolded  
by our Founding Fathers  
who loved us, our country,  
and our flag.

Our Homecoming activities  
were directed to honor  
our forefathers,  
the Builders of Freedom.

Dawn,  
Dusk,  
Dark,  
the days progress.

Chilly days, warm summer sun,  
Spring rain, and winter fog.  
Our spirits know no season.

Then,  
for many  
the goals pursued  
for two years  
were attained.  
Only the reflection  
of the college  
experience  
remains.

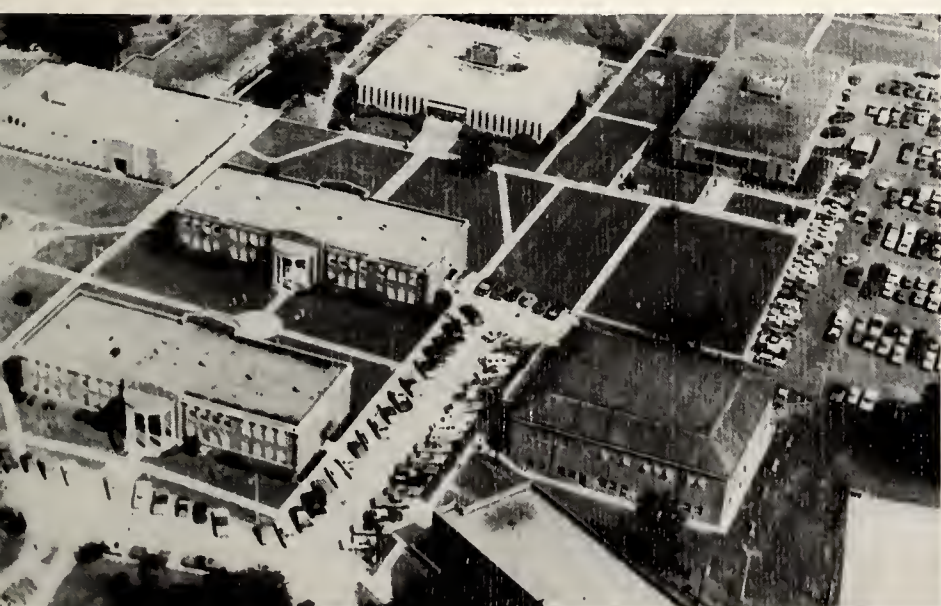

WE HOLD THESE TRUTHS TO BE SELF-EVIDENT: THAT ALL MEN ARE CREATED EQUAL, THAT THEY ARE ENDOWED BY THEIR CREATOR WITH CERTAIN UNALIENABLE RIGHTS, AMONG THESE ARE LIFE, LIBERTY AND THE PURSUIT OF HAPPINESS, THAT TO SECURE THESE RIGHTS GOVERNMENTS ARE INSTITUTED AMONG MEN. WE . . . SOLEMNLY PUBLISH AND DECLARE, THAT THESE COLONIES ARE AND OF RIGHT OUGHT TO BE FREE AND INDEPENDENT STATES . . . AND FOR THE SUPPORT OF THIS DECLARATION, WITH A FIRM RELIANCE ON THE PROTECTION OF DIVINE PROVIDENCE, WE MUTUALLY PLEDGE TO EACH OTHER OUR LIVES, OUR FORTUNES AND OUR SACRED HONOUR.

## Dedicated In Appreciation Of **WILLIAM C. OAKES**

We the members of the Hinds Junior College Yearbook Staff proudly dedicate the 1976 Eagle to William C. Oates, Director of Student Activities. It is with great admiration and appreciation that we honor a man who has given a lifetime of service to Hinds, its students and faculty.

# In Memoriam

Now you will swell the rout  
of lads that wore their honors out,  
Runners whom renown outran  
And the name died before the man.

From  
"To an Athlete Dying Young"  
A. E. Houseman

WILKINS ROAN

A quiet smile, a loving nature, a person who refused to settle for second place whether on the football, or in any other aspect of life.

Such describes Wilkins Roan, a friend we all shall miss, whose influence remains strong, even after death. His dedication to his family, friends, and school was complete, as was his love for God. The loyalty toward that which he loved was admired by all who knew him well.

The memory of Wilkins will remain with us as we reflect on these years we knew him, in gratitude to God.

Decisions, Decisions . . .

The Six Cent Man!

What? No Mayo-naise??

I don't care how much you paid, we don't punch Jackpot Cards!

It's stuck again . . .

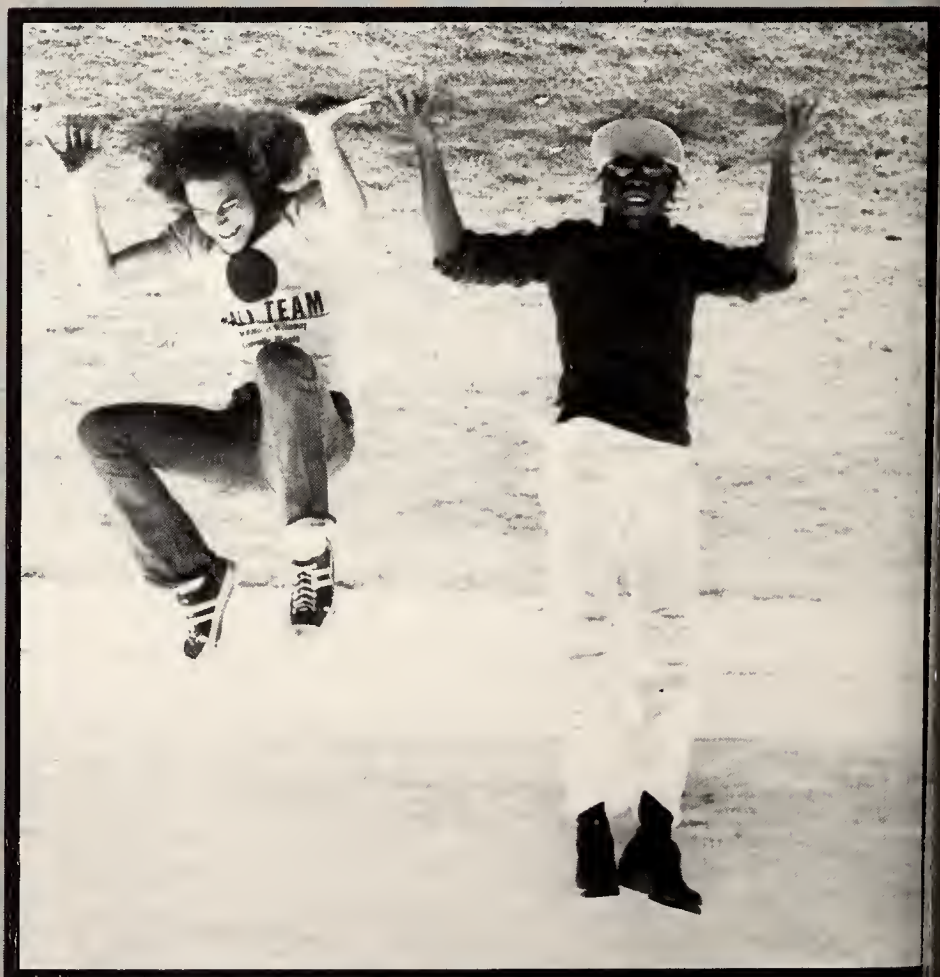

There he goes with that "Little Napoleon" bit again . . .

How do you lose a chartreuse micro-bus???

Hey, somebody get me out of this thing . . .

Man, is gravity heavy . . .

I certainly hope THIS is the right Queen!

Look! A Melanopius Femur-rubrum . . .

Some mixed drink, Raymond water and powdered milk.

I only had tee martoonies Mr. Tarbender . . .

I wish the guy with the glasses and the comic book would get out of my office . . .

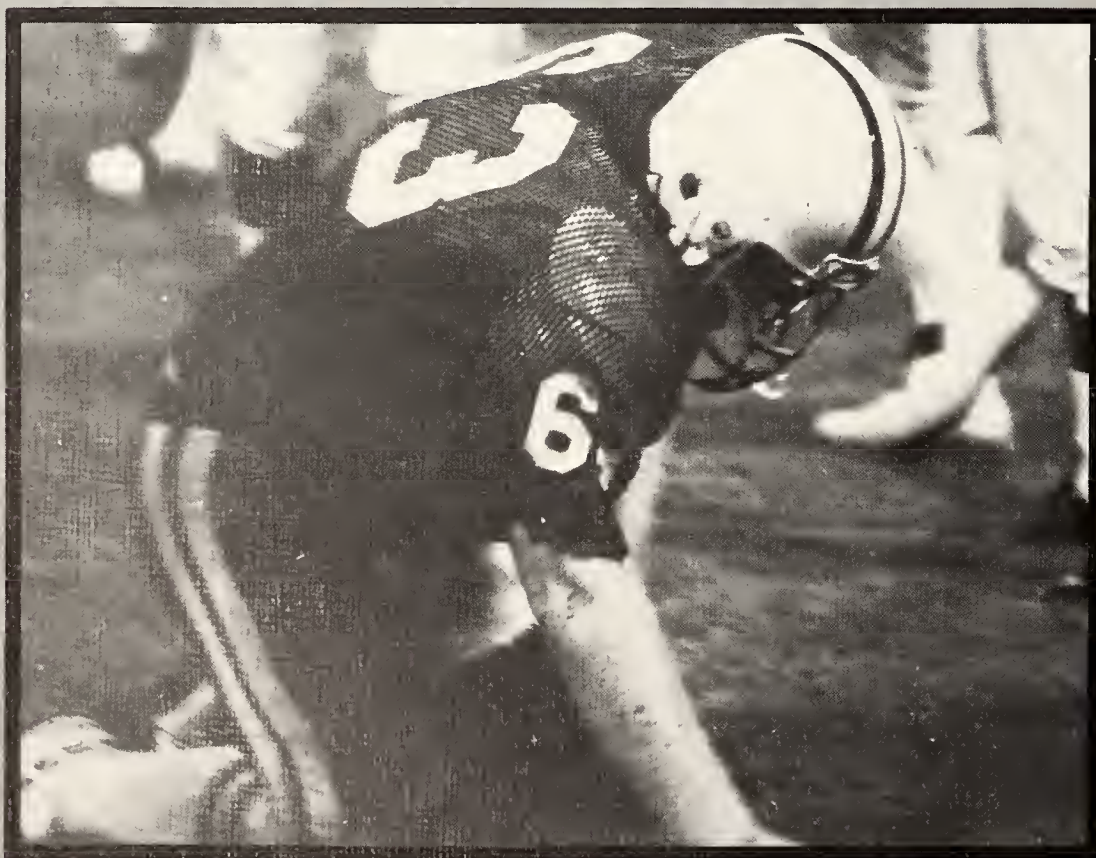

I bet that dog thinks I'm a fire hydrant.

I bet that fire hydrant thinks I'm a dog.

Yes . . . We'll have two hamburgers and an order of "Finch" fries . . .

Look, a four leaf clover.

I see three F's, two D's and you had better drop Choir . . .

Call them what you like, I just call them Anatomy films  
...

The word for the day is . . .

Beemon and Daniel I presume . . .

With a flick of my BIC I can tell you're a hick.

Two more hands and I would be a combo.

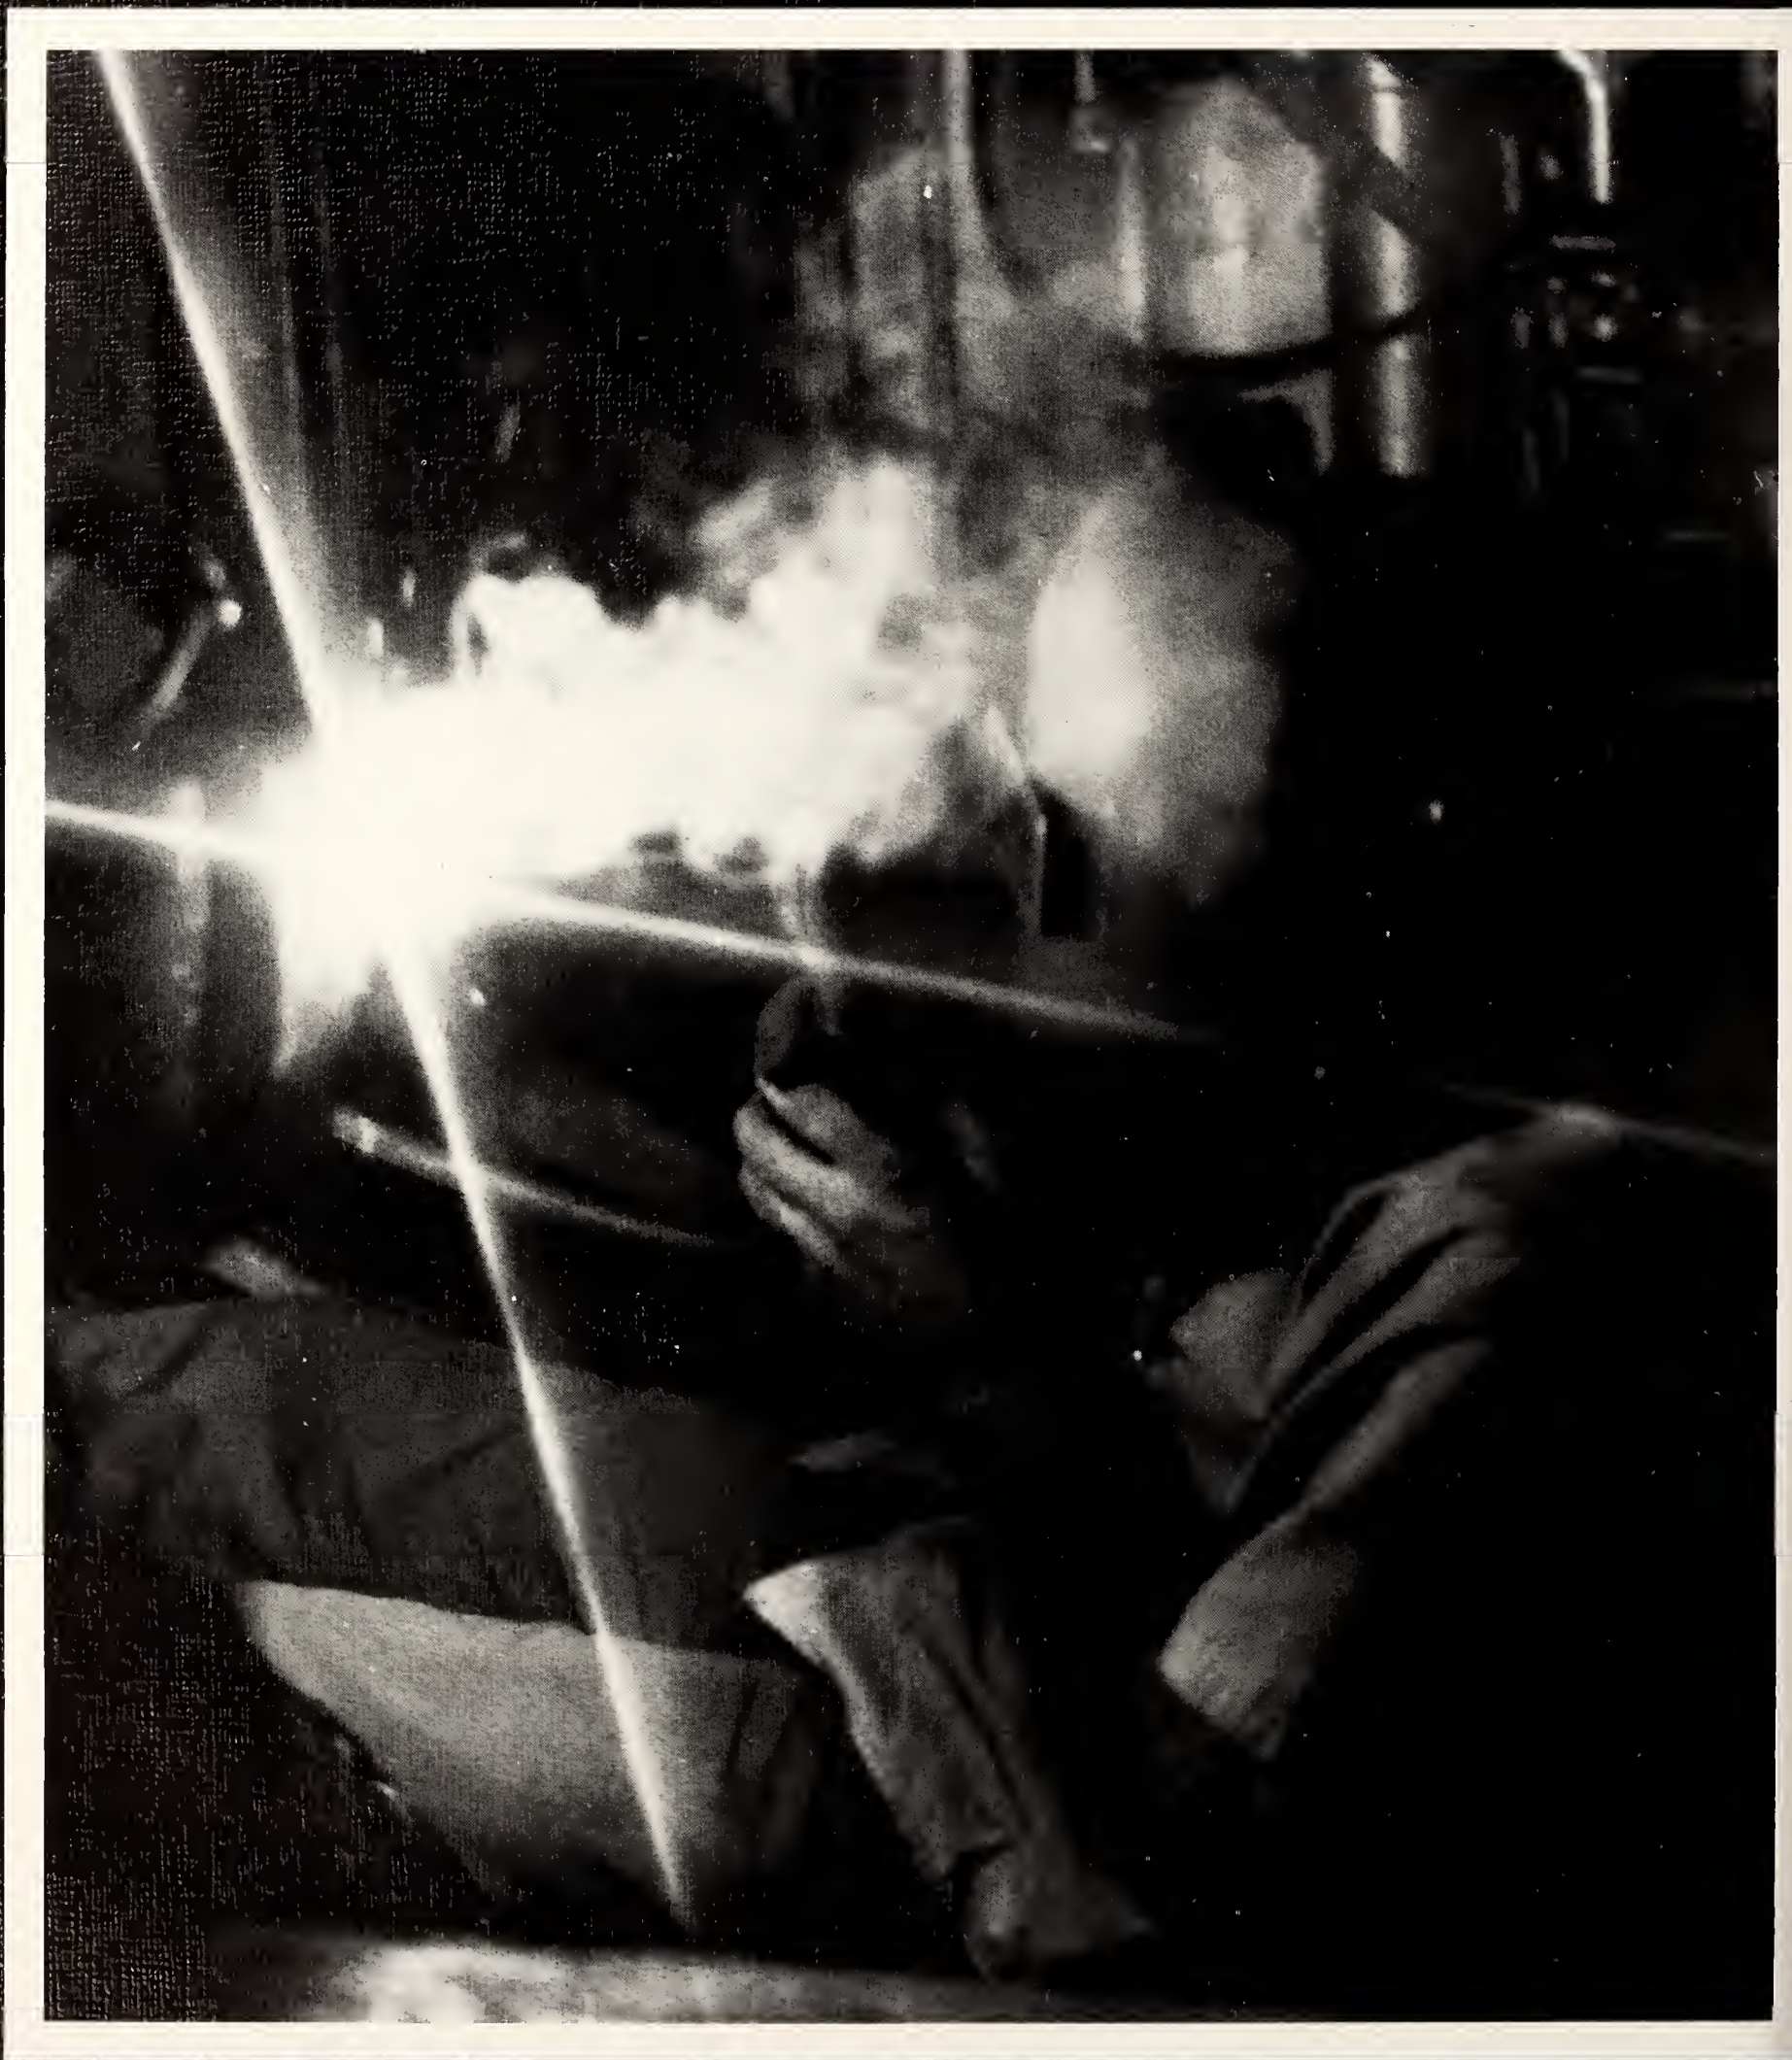

Hold the pickles, hold the lettuce, special . . .

# In Memoriam

With unrelenting crescendo, the symphony of a life replete with melodic progression hastens to its finale. And a friendship that is ours to share, with its "largos" and "allegros" moves everlasting; onward in sweet memories.

# Editors' Message

This has been a busy and most exciting year at Hinds. There was always something happening on campus that was yearbook worthy. Hopefully, we have recorded most of these events, but as you know, it is impossible to put every little activity in this book.

We were understaffed from the beginning and, as expected, the staff tapered to a handful. But, with the help of God and determination, we have finally finished.

I would like to thank the staff and co-editor for their diligence and friendship. This book certainly would not have come together without their hard work. Also, I would like to thank our advisor, Bob Hodges, for giving me the opportunity to work on this book. His constant guidance and humor has made this task a most enjoyable and educational experience for me.

I hope this book fulfills your expectations. After all, you, the students of Hinds Jr. College are responsible for its contents.

Without furthermore ado, I wish you success in all your endeavors and patriotically present to you, the 1976 "EAGLE."

*Donny Warren*

I guess the hardest part of this book is writing this page. It's all been fairly easy up to this point. Please bear with me. It will all be over soon.

To my staff, the dwindling few who have put up with my nagging phone calls, I thank you for making this "EAGLE" a success. For without you, this book would not be possible.

To my advisor, the iron-hand, you alone pushed us through the final deadline.

To my friends at Taylor Publishing Company, you understood our shortened deadlines and forgotten pictures.

This yearbook is by no means a complete cross-section of 1976 at Hinds Jr. College; that would be an astronomical attempt. I hope this book will please most of you.

Finally, to my co-editor: We were thrown together in an attempt to catch a school year in a mere 264 pages. For in our attempt to complete this publication, a friendship grew. I feel that if true friendship is to succeed, both persons must sacrifice. You have fulfilled this requirement to the hilt. Thanks. Thanks to all.

*Morrison Sparks*
